The Text: Amos 7-8

- 2 Visions – "The Lord changed His mind."
  2 Visions – "I will spare them no longer."

- Rejection of God's word through Amos and consequences for High Priest

- Oracles – "Hear this you who trample the needy" Quake, Darkness, Mourning, Famine for hearing the words of the Lord, Young will Faint, Fall and not Rise for idol worshipers

What do we see?

- A God who hears our prayers
- Justice: "I will spare you (who trample the needy to do away with the humble of the land) no longer."
- Unrighteous use of resources and abuse of law
- (Housing crisis? Inflation?)
- Jesus ate with Tax collectors and "sinners"

How did you treat the least of these?
Matthew 25:31-46

What's our theology here?

- Works based righteousness?
- No one enters the kingdom of God except through Jesus?
- James 3:14-28, John 14:6

Truth

- You died with Christ and were raised with Him (Romans 6:3-5, 1 Corinthians 6:11)
- Seek Christ and Live (Amos 5:4,6,14, Matthew 6:32-33)
